

The Western Slope of Massanutten trails are funded, built, and maintained by the Shenandoah Valley Bicycle Coalition in partnership with Massanutten Resort. **100% of trail pass donations go back to the Coalition and your trails.** Since 2004, over 20,000 volunteer hours have built more than 18 miles of trail, maintained 30+ miles of trail, and created many smiles during our weekly volunteer dig days.

The Shenandoah Valley Bicycle Coalition is a 501(c)(3) non-profit organization based working in the Central Shenandoah Valley. The Coalition works to ensure everyone can choose to bike and walk as part of their daily lives. With your support, we are able to supplement our volunteers by hiring professional trail builders to continue expanding opportunities on the Massanutten Western Slope.
