

Are you planning this year's holiday event?

The holiday season will be here before you know it. Let us create the perfect holiday party that your friends, family, and coworkers are sure to look forward to.

We at Shenandoah Provisions take great pride in delivering enticing food and exceptional service. Our on-site catering services compliment Massanutten Resort's scenic mountain location and offer spacious banquet facilities and smaller, intimate locations that are perfect for warm, cozy gatherings. We offer a range of creative and flavorful menus that can be customized for your special event, whether you're hosting a few guests or hundreds. We also offer lodging for your guests that are not local and may need accommodations for your event.

Our knowledgeable banquet services team can help you select the right venue for your event, arrange accommodations for guests, finalize catering menus, and offer recommendations for live entertainment, DJ's, photographers, florists, and other vendors. To get things started, we have included our current catering packet along with specialty holiday menus created by our Executive Chef, Mike Rittenour.

We hope you will give us the opportunity to bring our passion to your table this holiday season!

Best Wishes,
