Dear Management and Staff of Shenandoah Provisions:

I recently read of the great work you are doing to serve our community, particularly the elderly and more vulnerable individuals.

I want to commend you for your efforts to serve weekly meals to these fellow community members. At a time when your own business is down due to the limitations in place, you have still decided to focus outwardly on those with pressing needs. I have seen countless examples of generosity and selflessness since the onset of this pandemic by local businesses and individuals. These acts of kindness are what help make the Shenandoah Valley such a great place to live and raise a family.

Again, thank you for your commitment to our community and those in need. I wish you all the best as we begin to recover from the economic consequences of the pandemic. If my office might ever be of assistance to any of you, please don't hesitate to reach out.

Sincerely,

A handwritten signature in blue ink that reads "Tony".
