I request Great Eastern Resort Management Inc. issue a season skiing/snowboarding pass to me.

Skiing/snowboarding is an inherently dangerous sport which can result in personal injury, death, or property damage. Observe "Your Responsibility Code" at all times. If you are not willing to accept the above statement, you do not have permission to ski/snowboard this area.

"YOUR RESPONSIBILITY CODE"

Skiing and snowboarding can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross-country, or other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

1. Always stay in control, and be able to stop or avoid other people and objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride, and unload safely.

KNOW THE CODE. IT'S YOUR RESPONSIBILITY.

Massanutten does not permit riding lifts, skiing, snowboarding, or snow tubing with child carriers of any kind. All ski and snowboard equipment must have metal edges.

WARNING: Under Virginia law, a ski area operator or other winter sports area operator is not liable for an injury to or death of a winter sports participant in a winter sport conducted at this location, or for damage to property, if such injury, death, or damage results from the inherent risks of the winter sport or from the participant's own negligence. The inherent risks of a winter sport include, among others, risks associated with the land, equipment, other participants, and animals, as well as the potential for you or another participant to act in a negligent manner that may contribute to the injury, death, or damage. You are assuming the inherent risks of participating in a winter sport at this location. Complete copies of the applicable Virginia law and the participant responsibility code published by the National Ski Areas Association are available for review at each ticket sales office of this winter sports area and online at <http://www.massresort.com/wintersportssafetyact>

COVID-19 WARNING: An inherent risk of exposure to COVID-19 and other disease exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the CDC, older adults and people who have underlying medical conditions are especially vulnerable. By visiting the Resort, you and your party voluntarily assume all risks related to exposure to disease and COVID-19.

I have read and understand Great Eastern Resort Management, Inc.'s rules, policies, and regulations and "Your Responsibility Code". I agree to abide by them. G.E.R.M. has the right to revoke my pass for any violation of them. I have read this document.
